If Mortgage Financed, With Whom?		Permit Issued Date:	mm / dd / yyyy
Builders Job Number:		Copy of COC Supplied	<input type="checkbox"/> Yes <input type="checkbox"/> No

## Construction Requirements:

If questionable, the adequacy of soil condition and foundation design shall be examined and certified in writing by an appropriately qualified and independent Engineer, and all footings, foundations and slabs shall meet such engineered specifications for the site on which the Residential Unit is constructed. The Member shall also meet the Construction Guidelines forming part of the Membership Agreement, and shall ensure adequate Course of Construction Insurance. Copies of Engineering Certifications referenced above shall be provided to PHW upon request and PHW may rely on such Certifications.

## Testament of Understanding:

It is understood and agreed that upon execution of this registration form the terms and conditions as set out herein are in agreement with the Member. The Member will be deemed to be the vendor of the Residential Units for all conditions relating to the "Membership Agreement" and the enforcement thereof. The Member warrants that it is supplying more than 80% of the value of the materials and labour (including 100% of the foundation system and the superstructure) for the construction of the Residential Unit. \*\*No Member is permitted to register Residential Units for any other party.\*\*
