Construction Requirements:

1. A copy of the Building Permit must accompany this Warranty Registration Form.
 2. If the contracted renovation requires a change in foundation design, the Member shall ensure that such changes shall be examined and certified in writing by an appropriately qualified and independent Structural Engineer.
- Copies of Engineering Certifications referenced above shall be provided to PHW on request and PHW may rely on such Certifications.**

Testament of Understanding:

It is understood and agreed that upon execution of this registration form the terms and conditions as set out herein are in agreement with the Member.

The Member warrants that it is meeting the terms and conditions of the Membership Agreement for the RenoPro Warranty Program for the renovation of the Residential Unit, including the program's Construction Guidelines. The Member undertakes to supply, in a timely manner, all the above referenced Engineering Certifications and required documentation upon request by PHW.

*****No Member is permitted to register Residential Units for any other party.*****
